

## **Become an Individual Fundraiser and support On The Rise!**

First, Register for the **Prepare For Winter** Event:

<https://give.ontherise.org/OTR25-PFW>

1. After registration, you will receive an email with the subject *Start Your Fundraising Page for On The Rise!* Open the email, and click *Claim Your Fundraising Page* at the bottom.
2. You will be directed to our platform, Classy, and asked to create a password for your account. Choose a password you will remember or record your password.
3. You are now on your Individual Fundraising page. In the top right corner, look for the MANAGE button.
4. MANAGE will walk you through personalizing your page. If you wish to, you are now able to add your photo, edit your story, and set your donation goal. Your personalized page will have a bigger impact on your network!

TIP! Choose the “Details” tab to change all the information at once!

5. Congratulations! You have created your Individual Fundraising page.
6. Time to share! Donate to your fundraiser, invite friends to do the same, email your network, and share on social media to reach the greatest audience.

**In previous years, we have asked our table hosts and guests to invite new supporters to On The Rise. Thank you for virtually inviting your community to join ours!**
